

ANNUAL DAY OF PRAYER for the UYGHUR

March 21st, 2010

In China, an entire Muslim people group of 13 million Uyghurs are without Jesus Christ or hope in their lives. Only an unprecedented move of the Spirit will change this. Our Father responds to the prayers of His children.

March 21st marks the beginning of spring and the new year in the Uyghur calendar. On this day pray-ers around the world will come together to ask God to release new life throughout this people.
